▶ The Goal...

...of our soccer program is to ensure that all participants have as much fun as absolutely possible! Safety and fair play are not only encouraged, but is the only way we play.

The volunteers of the soccer program continue to support healthy lifestyle choices and provide opportunities for all members of our community to get off their seat and on their feet.

Volunteers are necessary to make this program a success. Volunteers do not need to be "experts", just interested in the well-being of the children. Resources and lesson plans are available for volunteers. "Many hands make light work!"

If you would like to contribute to this enjoyable experience, please contact the municipal office at 386-2573 or info@southriverontario.com.
